1A. Define Problem Statements (Customer Problem Statement)

Problem Statement	I am	I'm trying to	But	Because	Which makes me feel
PS-1	A student / working individual	Track expenses and stay within my monthly budget	I don't know where my money goes and overspend	Manual tracking is tedious and I get no useful suggestions	Stressed and financially insecure
PS-2	A budget-conscious shopper	Choose the best products and deals within my budget	Comparing options takes too much time	Recommendations are not personalised to my spending	Confused and unsure
